### The Footprints crystal pendant

With **its** wonderful **words** and heartfelt **sentiment** the beautiful footprints **poem** by **Margaret Fishback Powers** has given **comfort** and **hope** to **people** over the **world**, evoking a powerful **image** of **God** as **he** guides **us** through troubled **times**. And now in a tender **tribute** to **his** endless source of **inspiration**, the master **artists** of **Brooks** and **Bentley** have created an enchanted new **work** of fine **jewellery art**.

Fashioned in a beautiful **loveheart**, the delightful **pendant** portrays swirling **waves** washing upon a crystal **shore** and brilliantly polished **footprints**. The **result** is the perfect **contrast** of **light** and **texture** and a poignant **reminder** of the inspirational final **lines** of the **poem**.
